Changes to Service 36 from Sunday 23 March 2025

To better reflect the traffic congestion difficulties we are encountering across Newcastle, the timetable for Service 36 is revised. As part of the new timetable, a further additional vehicle has been added to the operating schedules. This extra vehicle will enable buses to regain their scheduled times more quickly whenever traffic congestion issues are encountered on the highways network.

There are no changes to frequencies, with Monday to Saturday daytime buses continuing to operate up to **every 15 minutes** between Fenham and Newcastle City Centre via Royal Victoria Infirmary, and evening and Sunday buses operating every 30 minutes. For full details, please see timetable.
